

## How this Site can save you Time and Effort

- 1) Copy and paste the links from the website into a word processor page.
- 2) To create more room eliminate the Alexa site rankings. (see below)
- 3) Add your User name/email and Log-in code to the list. (see below)
- 4) Save list in Word Processor and Print out for faster use.
- 5) Create your press release in a word processor.
- 6) Create 2-3 different headlines and subtitles. Alternate as you submit.
- 7) Go to PrSiteList.com.
- 8) Each Free Press Release site will open in a New Window allowing fast entry.
- 9) Using the printed list of log-in codes you'll be able to easily submit to all sites.
- 10) Make adjustments on review. Some sites don't allow "special"™ characters.
